- 28) Bid price shall mean the total price in his bid proposal schedule/BOQ for complete scope of work. The cost compensation if any because of deviations taken by the bidder on the "Deviation Statement" submitted with the bid / tender or scope deficiencies as applicable will also be taken into account for the purpose of evaluation. The overall cost arrived at in this manner shall be taken for cost comparison & final evaluation.
- 29) The evaluation criteria overrides all other similar related clauses appearing anywhere in the bid documents & such clauses are deemed to have been modified to the extent stipulated above.
- 30) **Cost compensation for declared deviation:** Deviations specifically declared by the bidder in the "Statement of Deviations" only will be taken into account for the purpose of evaluation. The bidders are required to declare the prices for the withdrawal of the deviations declared by them in the "Statement of Deviations". Such prices declared by the bidders for the withdrawal of the deviations in the "Statement of Deviations" shall be added to the price bid to compensate for these deviations. In case prices for the withdrawal of deviations are not furnished by the bidder & the same are not acceptable to RGPPL, then agency shall withdraw the deviation to remain in evaluation process, otherwise their bid will be rejected.
- 31) If the rates/prices quoted by the successful bidder for certain items of the bill of quantities are found to be abnormally high or low in relation to the Engineer's (RGPPL) estimate of the cost of work to be performed under the contract, then RGPPL may require the bidder to produce detailed rate/price analysis for any or all items of the bill of quantities to demonstrate the internal consistency of those rates/price with the construction methods' and schedule proposed. After evaluation of rate/price analysis, RGPPL may require that the amount of the performance security be increased at the expense of the successful bidder to a level sufficient to protect RGPPL against any financial loss in the event to default by the contractor under the contract, if award is placed on successful bidder.
- 32) In the event of discrepancy between the rate given in the tender as described in words and that stated in figures, the description in Words shall prevail.
- 33) In the event of an error occurring in the amount column of BOQ as a result of wrong extension of the unit rate and quantity, the unit rate shall be regarded as firm and extended Price shall be amended on the basis of the unit rate.
- 34) Notwithstanding anything above, the owner reserves the right to assess the bidder's capability and capacity to perform the contract, should the circumstances warrant such assessment in the overall interest of RGPPL and decision of RGPPL in this regard shall be final.
- 35) **CLARIFICATION OF BIDS:** Bidder's attention is drawn that during the period, the bids are under consideration, the Bidder is advised to refrain from contacting by any means, the Employer and/or his employees/representatives on matters related to the bids under consideration and that if necessary, the Employer will obtain clarifications from the Bidder in writing. Any effort by a Bidder to influence the Employer's processing of bids or award decisions will result in the rejection of the Bidder's bid.

During the bid evaluation the Employer may, at its discretion, ask the Bidder for a clarification of its bid including documentary evidence pertaining to only the Work

In case of any accident occurs during the construction/erection or associated activities undertaken by the Contractor thereby causing any minor or major or fatal injury to his employees due to any reason, whatsoever, it shall be the responsibility of the Contractor to promptly inform the same to RGPPL's Engineer - in - Charge in prescribed form and also to all the authorized envisaged under the applicable laws.
21. The Engineer -in - charge shall have the right at his sole discretion to stop the work, if in his opinion the work is being carried out in such a way that it may cause accidents and endanger the safety of the workmen and equipments. In such cases, the Contractor shall be informed about the nature of hazards and possible injury/accident and he shall comply to remove shortcomings promptly. The Contractor shall stopping the specific work, can, if felt necessary, appeal against the order or stoppage the specific work to the General Manager of the project within 15 days of such stoppage of work and his decision in this respect shall be conclusive and binding on the Contractor.
22. The Contractor shall not have any right to claim any damages/compensations for stoppage of work due to safety reasons as provided in para 21.0 above and the period of such stoppage of work will not be taken as an extension of time for completion of work and will not be exempted for purpose of levy of liquidated damages.
23. The Contractor shall follow and comply all RGPPL safety instructions and codes, relevant provisions of applicable laws pertaining to the safety of workmen, employees, plant and equipment as may be applicable from time to time without any demur, protest or contest or reservation. In case of conflict, the statutory provision shall over ride RGPPL instructions on any particular safety measure.
24. If the Contractor fails in providing safe working environment as per the safety instructions/ codes etc. or continues the work even after being instructed to stop work by Engineer-in -charge as provided in para 21.0 above, the Contractor shall be liable to promptly pay on demand by the owner such compensation amount per day or there of as may be determined by the Engineer-in-charge, which shall not exceed Rs. 5,000/- per day or the actual loss suffered by the owner whichever is more. However, in case of accident taking place causing injury in any individual their provision contained in para 26.0 shall also apply in addition to the compensation mentioned in this para.
25. In case of continued violation of RGPPL safety instructions and codes and applicable laws which are prepared to ensure safety to men and material and plant and equipment or Contractor's will failure to comply with instructions of Engineer-in-Charge as aforesaid RGPPL shall have the right at its sole discretion of debar such Contractor's for award of any contract in future, Further RGPPL shall not permit its Contractor's also to award any of their sub-Contractor's to any such defaulting Contractor's under any circumstances, whatsoever.
26. If the Contractor does not take all safety precautions and/or fails to comply with the safety instructions as prescribed by RGPPL or under the applicable law for the safety of the equipment and plant and for the safety of its workmen and the Contractor does not prevent hazardous conditions which cause injury to his own employees who are working at site or adjacent thereto, the Contractor shall be responsible for payment of compensation to RGPPL as per the following schedule.

a) Fatal injury or accident causing death of workmen or employees	As determined by the workmen compensation commissioner under Workmen's Compensation Act 1923 and any subsequent amendment.
b) Major injuries or accident causing 25% or more permanent disablement to workmen or employee	

27. The Compensation mentioned above shall be in addition to the compensation payable to the workmen/employees under the relevant provisions of the workmen's compensation Act & Rules framed there under or any other applicable laws as applicable from time to time. In case the owner is made to pay such compensation then the Contractor is bound to reimburse the owner such amount in addition to the compensation indicated above.
28. If the Contractor observes all the safety instruction, Laws and Rules during the currency of contract awarded by the owner and no accident (Fatal or major or minor accident/ injury) occurs to any of its workmen or equipment due to non compliance of safety instructions and applicable law then RGPPL may consider the performance of the Contractor and award suitable "ACCIDENT FREE SAFETY MERITORIOUS AWARD" as per scheme detailed/ announced separately to such Contractor after successful completion of their contracts, which apart from monetary benefit may add to the Contractor's qualification competing for other contracts of RGPPL.

(Annexure-XII)

FRAUD PREVENTION POLICY

1.0 POLICY OBJECTIVES: The "Fraud Prevention Policy" has been framed to provide a system for detection and prevention of fraud, reporting of any fraud that is detected or suspected and fair dealing of matters pertaining to fraud. The policy will ensure and provide for the following:-

- a. To ensure that management is aware of its responsibilities for detection and prevention of fraud and for establishing procedures for preventing fraud and/or detecting fraud when it occurs.
- b. To provide a clear guidance to employees and others dealing with RGPPL forbidding them from involvement in any fraudulent activity and the action to be taken by them where they suspect any fraudulent activity.
- c. To conduct investigations into fraudulent activities.
- d. To provide assurances that any and all suspected fraudulent activity will be fully investigated.

2.0 SCOPE OF POLICY: The policy applies to any fraud, or suspected fraud involving employees of RGPPL (all full time, part time or employees appointed on adhoc/temporary/contract basis) as well as representatives of vendors, suppliers, bidder's , consultants, service providers or any outside agency(ies) doing any type of business with RGPPL.

3.0 DEFINITION OF FRAUD: "Fraud" is a willful act intentionally committed by an individual(s) - by deception, suppression, cheating or any other fraudulent or any other illegal means, thereby, causing wrongful gain(s) to self or any other individual(s) and wrongful loss to other(s). Many a times such acts are undertaken with a view to deceive/mislead others leading them to do or prohibiting them from doing a bonafide act or take bonafide decision which is not based on material facts."

4.0 ACTIONS CONSTITUTING FRAUD: While fraudulent activity could have a very wide range of coverage, the following are some of the act(s) which constitute fraud.

The list given below is only illustrative and not exhaustive:-

- a. Forgery or alteration of any document or account belonging to the Company.
- b. Forgery or alteration of cheque, bank draft or any other financial instrument etc.
- c. Misappropriation of funds, securities, supplies or others assets by fraudulent means etc.
- d. Falsifying records such as pay-rolls, removing the documents from files and /or replacing it by a fraudulent note etc. Willful suppression of facts/deception in matters of appointment, placements, submission of reports, tender committee recommendations etc. as a result of which a wrongful gain(s) is made to one and wrongful loss(s) is caused to the others.
- e. Utilizing Company funds for personal purposes.
- f. Authorizing or receiving payments for goods not supplied or services not rendered.

- g. Destruction, disposition, removal of records or any other assets of the Company with an ulterior motive to manipulate and misrepresent the facts so as to create suspicion/suppression/cheating as a result of which objective assessment/decision would not be arrived at.
- h. Any other act that falls under the gamut of fraudulent activity.

5.0 REPORTING OF FRAUD:

- a. Any employee (full time, part time or employees appointed on adhoc/temporary/contract basis), representative of vendors, suppliers, bidders, consultants, service providers or any other agency(ies) doing any type of business with RGPPL as soon as he / she comes to know of any fraud or suspected fraud or any other fraudulent activity must report such incident(s). Such reporting shall be made to the designated Nodal Officer(s), nominated in every project/ HQ. If, however, there is shortage of time such report should be made to the immediate controlling officer whose duty shall be to ensure that input received is immediately communicated to the Nodal Officer. The reporting of the fraud normally should be in writing. In case the reporter is not willing to furnish a written statement of fraud but is in a position to give sequential and specific transaction of fraud/suspected fraud, then the officer receiving the information/Nodal Officer should record such details in writing as narrated by the reporter and also maintain the details about the identity of the official / employee / other person reporting such incident. Reports can be made in confidence and the person to whom the fraud or suspected fraud has been reported must maintain the confidentiality with respect to the reporter and such matter should under no circumstances be discussed with any unauthorized person.
- b. All reports of fraud or suspected fraud shall be handled with utmost speed and shall be coordinated by Nodal Officer(s) to be nominated.
- c. Officer receiving input about any suspected fraud/nodal officer(s) shall ensure that all relevant records documents and other evidence is being immediately taken into custody and being protected from being tampered with, destroyed or removed by suspected perpetrators of fraud or by any other official under his influence.

6.0 INVESTIGATION PROCEDURE:

- a. The "Nodal Officer" shall, refer the details of the Fraud/suspected fraud to the HR Department of RGPPL, for further appropriate investigation and needful action.
- b. This input would be in addition to the intelligence, information and investigation of cases of fraud being investigated by the HR of their own as part of their day to day functioning.
- c. After completion of the investigation, due & appropriate action, which could include administrative action, disciplinary action, civil or criminal action or closure of the matter if it is proved that fraud is not committed etc. depending upon the outcome of the investigation shall be undertaken.
- d. HR shall apprise "Nodal Officer" of the results of the investigation undertaken by them. There shall be constant coordination maintained between the two.
